1. **Call to Order:** Mr. Dillon called the meeting of the Bradley Advisory Committee to order at 1:00 p.m. and noted a quorum.

2. **Executive Director's Report:**

Mr. Dillon provided a brief welcome and the committee members introduced themselves to one another.

3. **Discussion Items:**

- (a) **Discussion of Committee Mission, Structure, and Meeting Schedule.**

Mr. Dillon provided background on the formation of the committee and its evolution through the legislative process. General discussion ensued regarding the frequency of future meetings, and consensus was reached to schedule regular meetings quarterly.

Mr. Dillon requested that Mr. Peterson send potential schedule options to the committee members for their review.

- (b) **Discussion of General Bradley Airport Topics.**

Mr. Dillon reported on the history of the CAA and provided an overview of the organization's primary goals.

General discussion ensued on the topic of route development, including dialogue on passenger growth, route additions and reductions, the recent announcement of future Aer Lingus service, and the airport incentive package.

The committee discussed customer service at Bradley, including ground transportation options, rail connectivity, the future construction of a ground transportation center, a new airport lounge, potential casino development, taxi service, Uber, and the airport's FIS facility.

4. **Adjournment:**

Mr. Dillon adjourned the meeting at 2:17 p.m.
