Art At The Airport's winter exhibit "White Light" begins Feb. 3rd at Groton-New London Airport

JAN. 26, 2022 - NORWICH, CT

The Cultural Coalition is pleased to announce the Art At The Airport program's winter exhibit *WHITE LIGHT*, presented by Faith Satterfield, a locally and internationally trained illustrator and visual artist. The inaugural showing of this exhibit will feature paintings that are a mixture of latex, acrylic and spray paint on canvas.

The exhibit is free and available to view from February 3 to March 31 at the Groton - New London Airport.

Cultural Coalition Executive Director, Wendy Bury notes, "We are thrilled that the entire 2022 Art At The Airport program exhibition schedule is full with four wonderful exhibits. The *WHITE LIGHT* show is a great kick off to an exciting year."

Faith Satterfield explains her title and vision for the show are that "*WHITE LIGHT* is an accumulation of passion for color in a world that seems so black and white" and that "the science of light and the humanity of the heart meet as we ingest a visual journey of hope."

Satterfield is a teaching artist, originally from Griswold, Connecticut. She teaches art classes for non-profit organizations in southeastern CT at libraries, schools, studios, and local community events for families. Faith says her approach is based on a theory that "creativity exists in all of us - on different levels and in infinite ways; that no effort is ever a mistake - it is a moment before the next one and always to be celebrated." In 2013, Faith founded By Faith, an artistic production company which now includes Murals By Faith and

"by Faith Satterfield for *WHITE LIGHT* exhibition"

Paint Parties By Faith. The company has produced private murals, large scale outdoor public murals, and illustrations for design agencies.

The Art At The Airport program's purpose is to showcase the region's uniqueness, history, industry, culture and geography through visual arts in the airport's main terminal located at 155 Tower Avenue in Groton. The Art At The Airport program is a partnership of the Cultural Coalition and the Connecticut Airport Authority, which manages and operates Groton - New London Airport. Program partner, Groton Public Library, plans and hosts companion events for the airport exhibits.

Groton - New London Airport's terminal is open daily from 7 am to 6 pm for public viewing of the exhibit. Parking is easily accessible and free. Face mask use and 6 foot distancing protocols in effect.
