### **New Nonstop Service to San Juan Takes Flight at Bradley International Airport**

**Windsor Locks, CONN. – February 18, 2022** – The Connecticut Airport Authority (CAA) is pleased to announce that Frontier Airlines has launched new, nonstop service to San Juan, Puerto Rico today. The inaugural flight from Bradley International Airport to San Juan departed this morning.

“It is a privilege to partner with Frontier Airlines in bringing exciting nonstop destinations to Connecticut,” said Kevin A. Dillon, A.A.E., Executive Director of the CAA. “We welcome the airline’s partnership and investment at Bradley International Airport and are excited to offer our travelers expanded connectivity to a very popular destination.”

The new service to San Juan (SJU) operates year-round, three times a week on Mondays, Wednesdays and Fridays as follows:

BDL to SJU: 10:56 AM (Departure) – 4:23 PM (Arrival)

SJU to BDL: 3:56 PM (Departure) – 7:31 PM (Arrival)

For more information and booking options, please visit [www.FlyFrontier.com](http://www.FlyFrontier.com)

Frontier Airlines now offers nonstop service to seven destinations from Bradley International Airport. In addition to the service to San Juan, the airline’s other destinations include Atlanta, Denver, Miami, Orlando, and Raleigh-Durham. In March, the airline will also launch service to Cancun. Frontier Airlines has been operating at Bradley International Airport since 2018.

**About Frontier Airlines**

Frontier Airlines ([NASDAQ: ULCC](#)) is committed to “Low Fares Done Right.” Headquartered in Denver, Colorado, the company operates more than 110 A320 family aircraft and has the largest A320neo fleet in the U.S. The use of these aircraft, Frontier’s seating configuration, weight-saving tactics and baggage process have all contributed to the airline’s average of 43 percent fuel savings compared to other U.S. airlines (fuel savings is based on Frontier Airlines’ 2019 fuel consumption per seat-mile compared to the weighted average of major U.S. airlines), which makes Frontier the most fuel-efficient U.S. airline. Frontier is also committed to families enabling children 14 years and younger to fly free through the airline’s Discount Den travel club on qualifying flights. With more than 230 new Airbus planes on order, Frontier will continue to grow to deliver on the mission of providing affordable travel across America.

**About Bradley International Airport**

[Bradley International Airport \(BDL\)](#) invites you to “Journey On” and once again experience the convenience of traveling at New England’s second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops, expanded services and accredited COVID-19 safety measures. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. For more info, visit [www.flyBDL.org](http://www.flyBDL.org).

**About The Connecticut Airport Authority**

The [Connecticut Airport Authority \(CAA\)](#) was established in 2011 to develop, improve, and operate Bradley International Airport and the state’s five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut’s airports more attractive to new airlines, bring in new routes, and support Connecticut’s overall economic development and growth strategy.
