Bradley International Airport Welcomes New, Nonstop Service to San Juan with Spirit Airlines

Windsor Locks, CT (February 15, 2023) – The Connecticut Airport Authority is pleased to announce that Spirit Airlines will be starting new, nonstop flights from Bradley International Airport (BDL) to Luis Muñoz Marín International Airport (SJU).

The new service to San Juan, PR will launch on June 7, with flights now on sale starting at \$74* one-way.

“We are thrilled to congratulate Spirit Airlines on their expansion in Puerto Rico and appreciate the airline’s inclusion of Bradley International Airport in its growth,” said Kevin A. Dillon, A.A.E., Executive Director of the Connecticut Airport Authority. “Spirit Airlines has been an important partner and key to our route network development strategy. The addition of new, nonstop service to San Juan gives our passengers more opportunities to travel affordably.”

“We strive to provide our Hartford Guests with convenient and affordable access to great destinations,” said John Kirby, Vice President of Network Planning at Spirit Airlines. “We recently launched our Montego Bay route, and we’re excited to add another fun Caribbean route to San Juan.”

Spirit's new route will operate year-round, three times a week on Wednesdays, Fridays, and Sundays.

In December 2022, the airline launched the airport's first nonstop flight to Montego Bay, Jamaica. In addition, it operates nonstop service to Fort Myers, FL, Myrtle Beach, SC, Orlando, FL, and Tampa, FL.

###

* All fares will be subject to 14-day advanced purchase, no day of week restrictions, with travel from 6/7/2023 – 8/2/2023, no blackout dates, fares subject to availability.

About Spirit Airlines

[Spirit Airlines](#) (NYSE: SAVE) is committed to delivering the best value in the sky. We are the leader in providing customizable travel options starting with an unbundled fare. This allows our Guests to pay only for the options they choose — like bags, seat assignments, refreshments and Wi-Fi — something we call À La Smarte®. Our Fit Fleet® is one of the youngest and most fuel-efficient in the United States. We serve destinations throughout the U.S., Latin America and the Caribbean, making it possible for our Guests to venture further and discover more than ever before. We are committed to inspiring positive change in the communities where we live and work through the [Spirit Charitable Foundation](#). Come save with us at spirit.com.

About Bradley International Airport

Bradley International Airport (BDL) is New England's second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. About The Connecticut Airport Authority

The CAA was established in 2011 to develop, improve, and operate Bradley International Airport and the state's five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut's airports more attractive to new airlines, bring in new routes, and support Connecticut's overall economic development and growth strategy.
