## **Frontier Airlines takes flight from Bradley International Airport with new nonstop service to Tampa**

*Flights will operate four times a week*

**Windsor Locks, CONN – March 7, 2024** – The Connecticut Airport Authority is pleased to announce that ultra-low fare carrier Frontier Airlines officially launched its new nonstop service between Bradley International Airport (BDL) and Tampa International Airport (TPA) today. The inaugural flight departed this morning.

To celebrate the new service to Tampa on Frontier Airlines, passengers were treated to destination-themed goodies by Bradley International Airport.

“Thanks to Frontier Airlines for introducing more low-cost flights at Bradley International Airport,” said Kevin A. Dillon, A.A.E., Executive Director of the Connecticut Airport Authority. “We greatly appreciate the airline’s addition of nonstop service to Tampa and look forward to our continued partnership in bringing exciting new routes and great travel deals to our region.”

The flight to Tampa will operate four times a week. Frontier Airlines also flies between BDL and San Juan (SJU), Orlando (MCO), and Raleigh-Durham (RDU).

### **About Bradley International Airport**

Bradley International Airport (BDL) is New England’s second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. For more info, visit [www.bradleyairport.com](http://www.bradleyairport.com).

### **About the Connecticut Airport Authority**

The Connecticut Airport Authority (CAA) was established in 2011 to develop, improve, and operate Bradley International Airport and the state's five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut's airports more attractive to new airlines, bring in new routes, and support Connecticut's overall economic development and growth strategy.
