

PRESS RELEASE

FOR IMMEDIATE RELEASE

Breeze Airways launching five nonstop routes from Bradley International Airport in May

First two nonstop flights departed today.

Windsor Locks, CONN – May 2, 2024 – The Connecticut Airport Authority is excited to announce that Breeze Airways is launching five nonstop routes this month. Two of those seasonal routes started today between Bradley International Airport (BDL) and the following destinations:

- Myrtle Beach International Airport (MYR)
- Cincinnati/Northern Kentucky International Airport (CVG)

Both flights departed from BDL earlier today. The flights to Myrtle Beach will initially operate three days a week and then increase to five days a week starting in June. Flights to Cincinnati will operate three days a week. To celebrate the new service to Myrtle Beach and Cincinnati on Breeze Airways, passengers received goodie bags from BDL before boarding each flight.

“This month marks three years since Breeze started flying out of Bradley International Airport, which also serves as one of the airline’s operating bases,” said Kevin A. Dillon, A.A.E., Executive Director of the Connecticut Airport Authority. “We are appreciative of Breeze’s growth and success at Bradley International Airport and thank the airline for offering our passengers a growing list of nonstop destinations at affordable fares.”

In addition to the two new routes launched today, Breeze will start flying nonstop to the following destinations from BDL this month:

- Greenville-Spartanburg, SC (May 24)
- New Bern, NC (May 24)
- Orlando, FL (May 29)

Additionally, Breeze will begin BreezeThru service from BDL to the following destinations:

- San Diego, CA (Launched May 1)*
- Santa Ana, CA (May 29)*

*BreezeThru service includes one stop but passengers do not have to change planes

“This year, three years after our launch, we are focused on building on the solid foundation we have established in many of our key origin cities, such as at Hartford,” said Tom Doxey, Breeze’s President. “Our terrific airport partners at Bradley International support us in this growth, resulting in even more flights to popular destinations across our network so more people can experience the benefits of our unique business model, combining low fares, nonstop flights and a seamless, elevated experience. We're excited to add five more nonstop destinations and two BreezeThru routes from BDL this month alone.”

About Bradley International Airport

Bradley International Airport (BDL) is New England’s second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. For more info, visit www.bradleyairport.com.

About the Connecticut Airport Authority

The Connecticut Airport Authority (CAA) was established in 2011 to develop, improve, and operate Bradley International Airport and the state’s five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut’s airports more attractive to new airlines, bring in new routes, and support Connecticut’s overall economic development and growth strategy.
