Bradley International Airport Celebrates Halloween with Visit from Connecticut Sports Mascots

Windsor Locks, CONN – Oct. 31, 2024 – Passengers at Bradley International Airport (BDL) received quite the treat today when the mascots from three local sports teams made a visit to the airport to celebrate Halloween and make it festive for travelers.

UCONN's Jonathan the Husky, Chompers and Chew Chew from the Hartford Yard Goats, and Dillon from Hartford Athletic made their way through the terminal to hand out candy to passengers and take photos with fans.

Today's visit builds on the Connecticut Airport Authority's (CAA) commitment to enhance the travel experience at BDL and create a sense of place for passengers that represents Connecticut and our region. The CAA extends a special thank you to the three teams for allowing their mascots to come to the airport and create such a memorable moment for passengers and the airport community.

###

About Bradley International Airport

Bradley International Airport (BDL) is New England's second-largest airport. Recognized nationally by leading travel publications for its ease of travel, Bradley International Airport is ready to welcome you with new nonstops and expanded services. The award-winning airport is operated by the Connecticut Airport Authority, and its operations are entirely self-funded. The airport contributes nearly \$3.6 billion to the regional economy. About The Connecticut Airport Authority

The CAA was established in 2011 to develop, improve, and operate Bradley International Airport and the state's five general aviation airports (Danielson, Groton-New London, Hartford-Brainard, Waterbury-Oxford, and Windham). The CAA Board consists of 11 members with a broad spectrum of experience in aviation-related and other industries, as well as government. The goal of the CAA is to make Connecticut's airports more attractive to new airlines, bring in new routes, and support Connecticut's overall economic development and growth strategy.
